Dear Ms. Pruitt,

**CITATION NO. [05_66_17C_029_3601019_76]
BAGDAD CAFÉ (SYSTEM NO. 3601019)**

Enclosed is a citation issued to the Bagdad Café public water system.

On March 30, 2017 Division of Environmental Health Services (DEHS) has issued a notification letter that 2016 Electronic Annual Report (eAR) is due by April 30, 2017. DEHS mailed a reminder on June 8, 2017 that 2016 eAR hasn't been submitted or was submitted incomplete. Copies of notification letter and reminder letter are enclosed.

The Bagdad Café will be billed at the DEHS's hourly rate for the time spent on issuing this Citation. California Health and Safety Code, Section 116577, provides that a public water system must reimburse the DEHS for actual costs incurred by the DEHS for specified enforcement actions, including but not limited to, preparing, issuing and monitoring compliance with a citation. At this time, the DEHS has spent 30 minutes on enforcement activities associated with this violation. The Bagdad Café will receive a bill within the next 30 days.

Any person or entity who is aggrieved by a citation, order or decision issued by the DEHS under Article 8 (commencing with Health and Safety Code, Section 116625) or Article 9 (commencing with Health and Safety Code, Section 116650), of the Safe Drinking Water Act (Chapter 4, Part 12, Division 104, of the Health and Safety Code) may file a petition with the State Water Board for reconsideration of the citation, order or decision. Appendix 1 to the enclosed citation contains the relevant statutory provisions for filing a petition for reconsideration (Health and Safety Code, Section 116701).

Petitions must be received by the State Board within 30 days of the issuance of the citation, order or decision by the DEHS. The date of issuance is the date when the DEHS mails a copy of the citation, order or decision. If the 30th day falls on a Saturday, Sunday, or state holiday, the petition is due the following business day. Petitions must be received by 5:00 p.m. Information regarding filing petitions may be found at:
